The Rise of ICAI Overseas Chapters

This may be the beginning of the fall season here in the North America region; however, it marks the true rise of ICAI Overseas chapters in the United States of America. The first International conference of this magnitude, organized by our own ICAI Dallas (DFW) USA Chapter, is a testament to the dedication of all overseas members keeping the ICAI flag held high.

At the ICAI Ohio (USA) Chapter, we are proud to encourage and collaborate with sister chapters including recently held joint regional meet with ICAI Michigan Chapter on Sep 12th and International Conference at Toronto, Canada on Sep 13th. Our Chapter fully supports and promotes these events, which will further aid in global networking and provide a home outside India to all hardworking professionals.

My vision for the future of our global CA community is one of continuous growth, where we work together for a stronger, brighter tomorrow. I wish great success to the ICAI International Conference – USA 2026 and look forward to seeing you there in person. Let's make this a grand success for everyone as we unite in the USA.

Warm regards,
CA. Siddhanta Goel
Chairman - ICAI Ohio Chapter (USA)

SHARED PURPOSE. GLOBAL INFLUENCE.

CHICAGO CHAPTER

The 1st ICAI International Conference USA A.S.P.I.R.E. 2026 in Dallas stands as a refined forum for ideas, leadership, and meaningful connection. My sincere congratulations to CA. Sri Vaddadi and the entire organizing team of the Dallas Chapter for bringing this exceptional convening to life.

Since founding the Chicago Chapter in 2021, I've watched our community grow with quiet determination. When the original leadership dispersed for reasons we fully respect, Anamika Roy and I remained, continuing the work with steady intent — intimate events that deepened relationships, targeted outreach to restore ICAI.org membership, and a patient rebuilding of trust. Our contribution has never been about spectacle; it has been about substance.

Consistent engagement has prepared us for larger opportunities, and the central ICAI leadership along with other chapters have been a constant source of encouragement and support.

Today, cross-chapter collaboration is indispensable. Markets, regulation, and corporate leadership operate globally, and Chartered Accountants bring the technical rigor, ethical grounding, and analytical clarity that boardrooms depend on. When chapters share expertise, mentorship, and advocacy, we amplify our collective influence and safeguard the standards that define our profession. At the same time, chapters create a universal family — one we can depend on not only professionally, but personally.

My vision is a global CA community that is intellectually curious, ethically uncompromising, and seamlessly networked across time zones — a profession that honors its statutory roots while shaping the future of finance, governance, and leadership. Together, we can build a community that is resilient, future-ready, and united in purpose.

CA. Gaurav Jain

Chairman, ICAI Chicago Chapter

A stronger global CA community.

Congratulations to the ICAI Dallas (DFW) USA Chapter on hosting the 1st ICAI International Conference USA 2026. It is an honor to witness our profession unite under the inspiring themes of **A.S.P.I.R.E. 2026** and **I.N.S.P.I.R.E. 2026**.

As Chairman of the ICAI Michigan Chapter, I am immensely proud of our members' dedication to excellence and local engagement. Over my 30 years in practice at Anil Sakhuja & Associates, P.C., and as a Founding Member of the Indo-American Chamber of Commerce USA, I have witnessed the evolving role of Chartered Accountants firsthand. We have transformed from traditional financial stewards into strategic leaders in business and finance.

The importance of global collaboration among ICAI Chapters and Representative Offices cannot be overstated. By working together, we bridge international markets and elevate our profession. My vision for the global CA community is one of continued cross-border innovation, strategic leadership, and unwavering commitment to the communities we serve. Wishing the Dallas conference team immense success. Together for a stronger global CA community!
